Wine Spectator “Best Value”

"This fresh and fruity white from Potrugal has a slight spritz, with zesty flavors of peach, citrus and melon followed by a zippy finish."

— KM, Wine Spectator October 31, 2008

A delicate, elegant floral nose, with fruity and sweet pea aromas. Broad and full on the palate with well-balanced acidity. Fresh, clean and soft with plenty of complexity, good depth and very full flavours.

Great on its own and will go well with salads, simply prepared fish, shellfish, white meats and spicy oriental food. Serve at 8-10°C.
