BC Retail \$15.99 (SPEC) + 381061

Clear and bright citrine colour. Elegant, fresh and very fragrant aromas of rose, ripe tropical fruit and lemon that characterize the Loureiro grape variety.

On the palate, well-matured fruit with good consistency and light structure, and excellent balance. Herbs, flowers and a hint of sweetness, finishing with fresh and mouth-watering crispness due to the slight pétillant effect.

Great as a sipper, and pairs very well with sushi, Asian dishes, white meats, grilled fish, salads, and desserts.

Serve at 8-10° C.
