“A lovely mixture of fig, blackberry and cherry defines this opulent malbec, with powerful acidity refreshing the ripe fruit.”

—*Wine & Spirits Magazine, June 2007*

Beautiful, deep purple colour with aromas of ripe red fruits and roasted coffee beans. Lush, full-bodied and penetrating on the palate with loads of chewy, currant jam flavours and bright acidity.

Pairs well with a wide range of foods including beef, sausages, spiced or grilled pork, veal, medium-strong cheeses and pasta sauces.
