### Value Brand of the Year 2009 — *Wine & Spirits Magazine, 2009*

Intense, dark ruby color with enticing aromas of ripe black plums and black currants. The richly textured plum and currant flavours are joined by accents of dark chocolate and some vanilla-scented oak. The ripe, vibrant tannins give the wine beautiful structure and an amazingly long finish, creating a wine with tremendous value.

Drink now or over the next few years to enjoy the fruit flavours at their best. Pairs well with traditional Cabernet-friendly foods, such as grilled or roasted meats, red sauces, assorted vegetarian dishes and cheeses.
