"... Ripe black cherry and currant fruit laced with coffee, hot stone and mineral notes. The finish shows a touch of old school character. This is one for the cellar. Best from 2009 through 2013."

— JM, Wine Spectator July 31, 2008

Deep coloured, with purplish glints. Expressive nose, with aromas of red fruit and a delicate woody note. On the palate it is smooth, well structured, tannic and fruity, with a hint of liquorice on the finish.

Pairs well with red meats and fillets, dishes with rich sauces such as beef casserole, and cheeses.
