Valongo, Portugal

PENEDO GORDO 2006

Vinho Regional Alentejano

BC Retail \$11.99 (SPEC) + 180307

Full bodied and well rounded, with very interesting rich and wild fruity aromas combined with a discreetly aromatic scent of oak. Full bodied on the palate with intense, deep flavours and smooth tannins, and a long, well-structured finish. This wine is affected by a Borba Region micro-climate, resulting in a uniquely pleasant wine. Grape varieties for all Quinta das Arcas wines are grown on family-owned vineyards.

Perfect match with cheeses, a wide variety of meats and roast meats, pasta sauces and Portuguese style petiscos.
